1. FIELD VISIT

DEPARTMENT OF COMMERCE (ACCOUNTING & FINANCE)

DATE: - 14 / 10/2022

TIMING: 09.30am to 12.30 pm

NO. OF STUDENTS BENEFITED: -73+1(73 students +1 Staff)

PLACE OF VISIT: THOLKAPPIA POONGA (Adyar Eco - Park) , ADYAR – CHENNAI

OBJECTIVE OF THE EVENT

1. The basic objective of Field Trip is to provide exposure to the students by engaging them with real situations.
2. The students will understand how the environment influences plant growth and crop yields.

OUTCOME OF THE EVENT

1. Students were exposed to natural environment and Ecosystem
2. Students appreciated the ways in which human population disrupt the functioning of the natural Ecosystem.

SUMMARY OF THE EVENT

On the day of EVS trip, 14th October, 2022 Tholkappia Poonga (Adyar Eco-Park) Chennai, 63 students enthusiastically assembled at the college at 9.30 am and left the college along with two staff. We reached Adyar Eco-Park, Chennai at 10.00 am. On behalf of Tholkappia Poonga (Adyar Eco-Park), Ms.Gomathy the person in-charge for our visit received us at the premises and gave a brief introduction to the Eco-Park. Then she took us around to all the places and explained the various species, functional areas, purpose of the ecological park and the process involved in the preserving the coastal species. The ecological park employees were doing the work with concentration. The visit came to an end at 12.00 pm. It was an extraordinary and interesting visit. As students of Commerce (ACCOUNTING & FINANCE), we are being taught about Environmental Science as an additional subject to learn that protecting nature is the most crucial thing, we need to give dedicated attention to. We all perfectly understand that theoretical knowledge is just not enough for a successful understanding of our nature and its current state of affairs.

We express our gratitude and sincere thanks to the Management and the Principal who permitted us to go on this visit. This field visit benefited 73 second year students to acquire the knowledge on eco-friendly environment.

Role of Emotional Self-care Practices on Mental Health: A Review

Keerthana. D

III BSc Psychology, Dr. MGR-Janaki College of Arts and Science for Women

Abstract

Self-care for oneself can take many forms and dimensions, such as physical, emotional, or even spiritual self-care practices. Emotional self-care refers to the act of acknowledging and identifying your emotions and allowing yourself to channel them in a way that promotes your overall health. A literature search was conducted for online journal publications such as PubMed, Google Scholar, ERIC, ResearchGate and Sage Journals. To identify the relevant studies, studies that didn't meet the inclusion criteria were excluded initially and if the study didn't contain primary data, not available in full text were not considered. This paper explores the following aspects of emotional self-care practices: 1) Mindfulness 2) Mandala drawing 3) Gratitude 4) Expressive writing. Mindfulness-based practices were effective in reducing state and trait anxiety and helped to face mental health issues and increased the motivation to practise self-care when compared with control groups. Colouring and making structured and unstructured mandalas was equally potent in enhancing mindfulness in both clinical and non-clinical settings. Practising gratitude can reduce depressive symptoms, enhance subjective well-being and help to manage physical health issues. Writing expressively about thoughts on any disturbing events had a decline in negative affect over time compared to control groups. The evidence is clear that by engaging in emotional self-care practices and using it as a cost efficient tool to enhance their mental health.

Keywords- Mandala, Mindfulness, Gratitude, Mental health, Expressive writing
